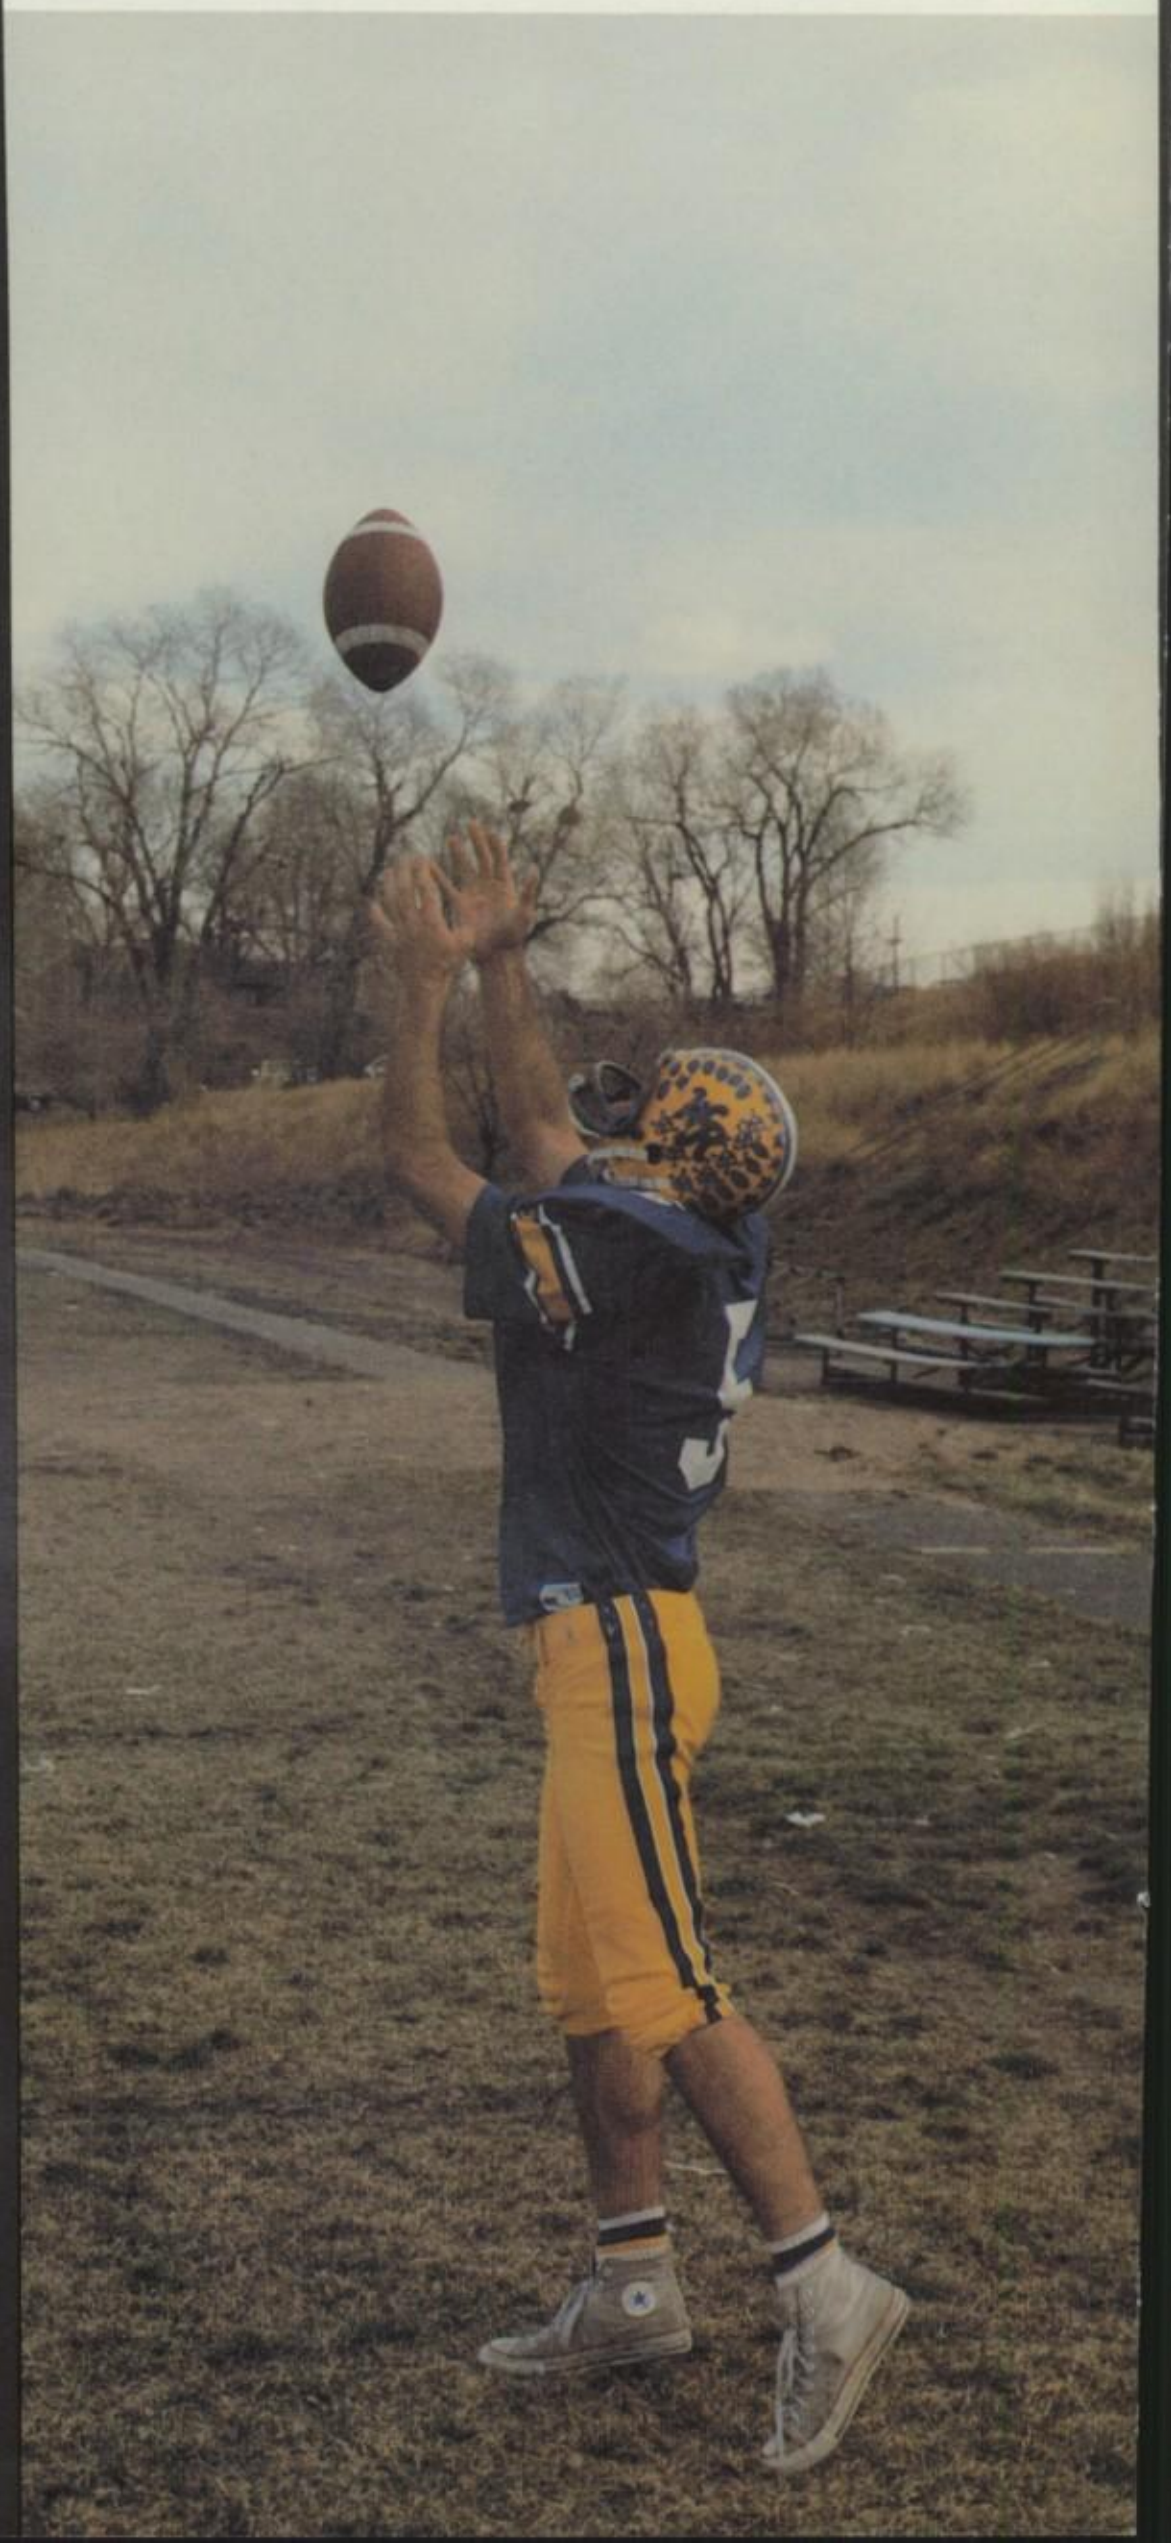
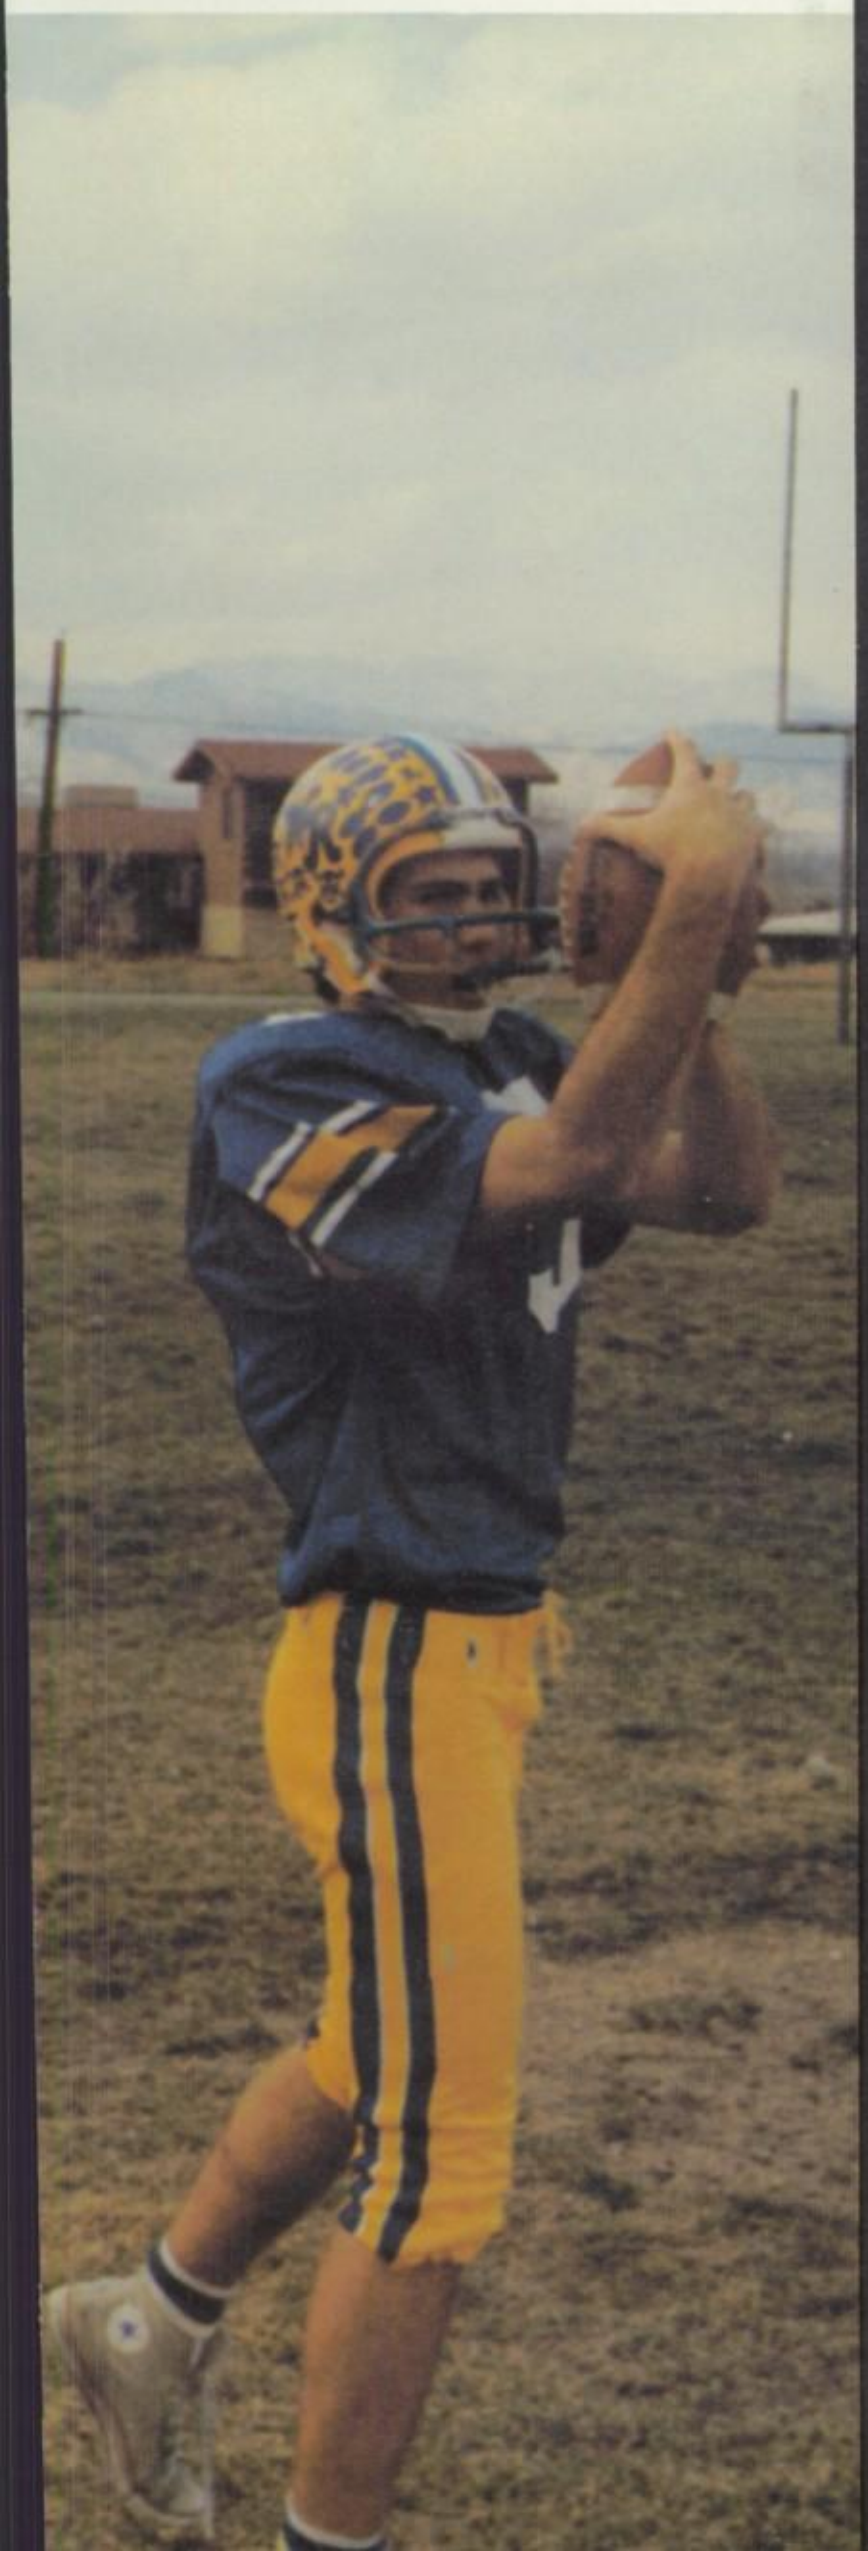
FARMER FEVER

Catch It . . .

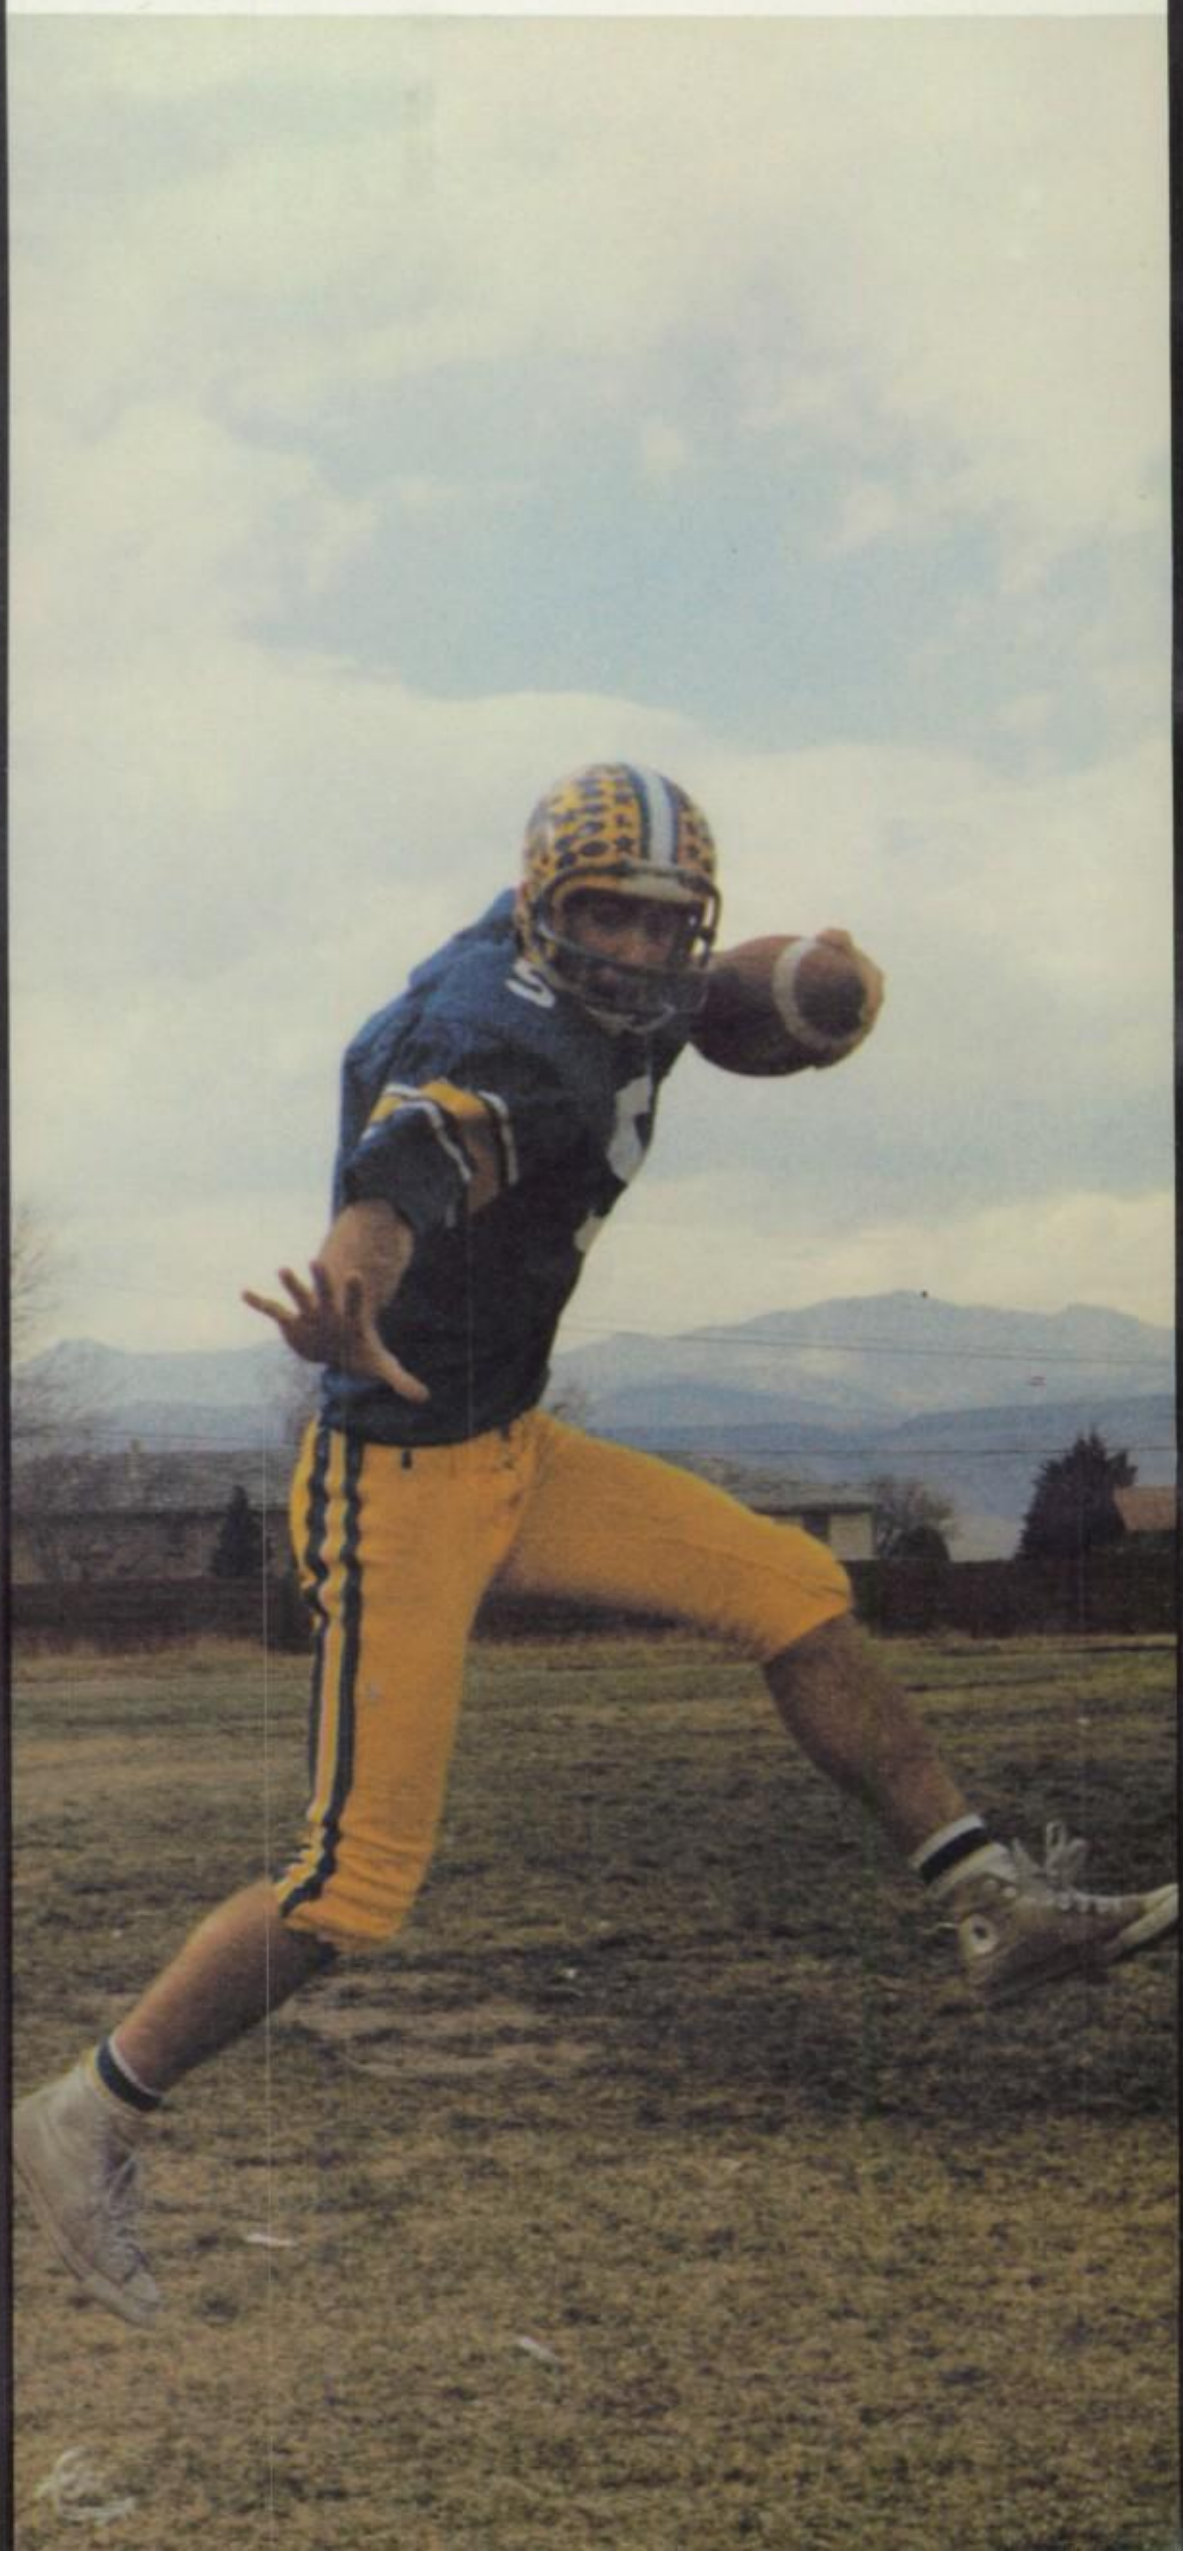


Senior quarterback Griff Wirth.

Caught It . . .



Keep It!



Farmer Fever- the spirit and pride that spread through Wheat Ridge High this year was a continuation of tradition set forth since 1879 with the beginning of formal education at Wheat Ridge. This year a beautiful Indian summer helped to capture the nostalgic spirit and to heighten the congenial atmosphere during the fall.

At the start of the school year we arrived to find Wheat Ridge growing and expanding even more. Major improvements were made to the front athletic fields by the addition of tennis courts, two multi-purpose fields, a baseball field, a soccer field, a softball field and dugouts. This generated a feeling that Wheat Ridge High is always on the move to better itself.

This year's football season proved to be exciting and full of contagious Farmer Fever. The speculation of an undefeated season lasted until the last regular season game against the mighty Columbine Rebels. A trip to the state finals spurred the Farmer ambition to new heights.

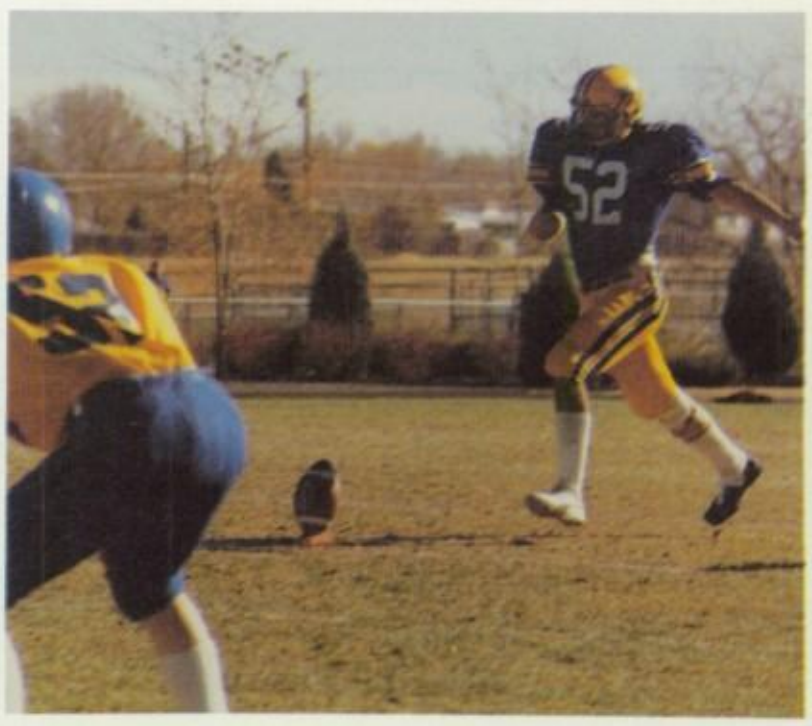
Stephen Collins as Prospero (at left) and Tammy Black as Ariel in the production of Shakespeare's "The Tempest". Guy Wells (below) plays the part of Stephano, a drunken butler, along with Susan Bassow as Caliban, a savage and deformed slave, and Leslie Gray as Trincula, a jester.



Members of the girl's Cross Country team (left) enjoy a cool refresher. Scott Skene (above) kicks off during the league playoff game against Evergreen.

Here's some real Farmer Fever! Shawna Landers and Ann Hersey at right. Below, Betsy growls in anticipation of winning the Homecoming game against the Alameda Pirates. In the background is Ann Hersey, Theresa Borchelt, Jenny Ames, Carole Bright, Shawna Landers, and Denise Petersen.

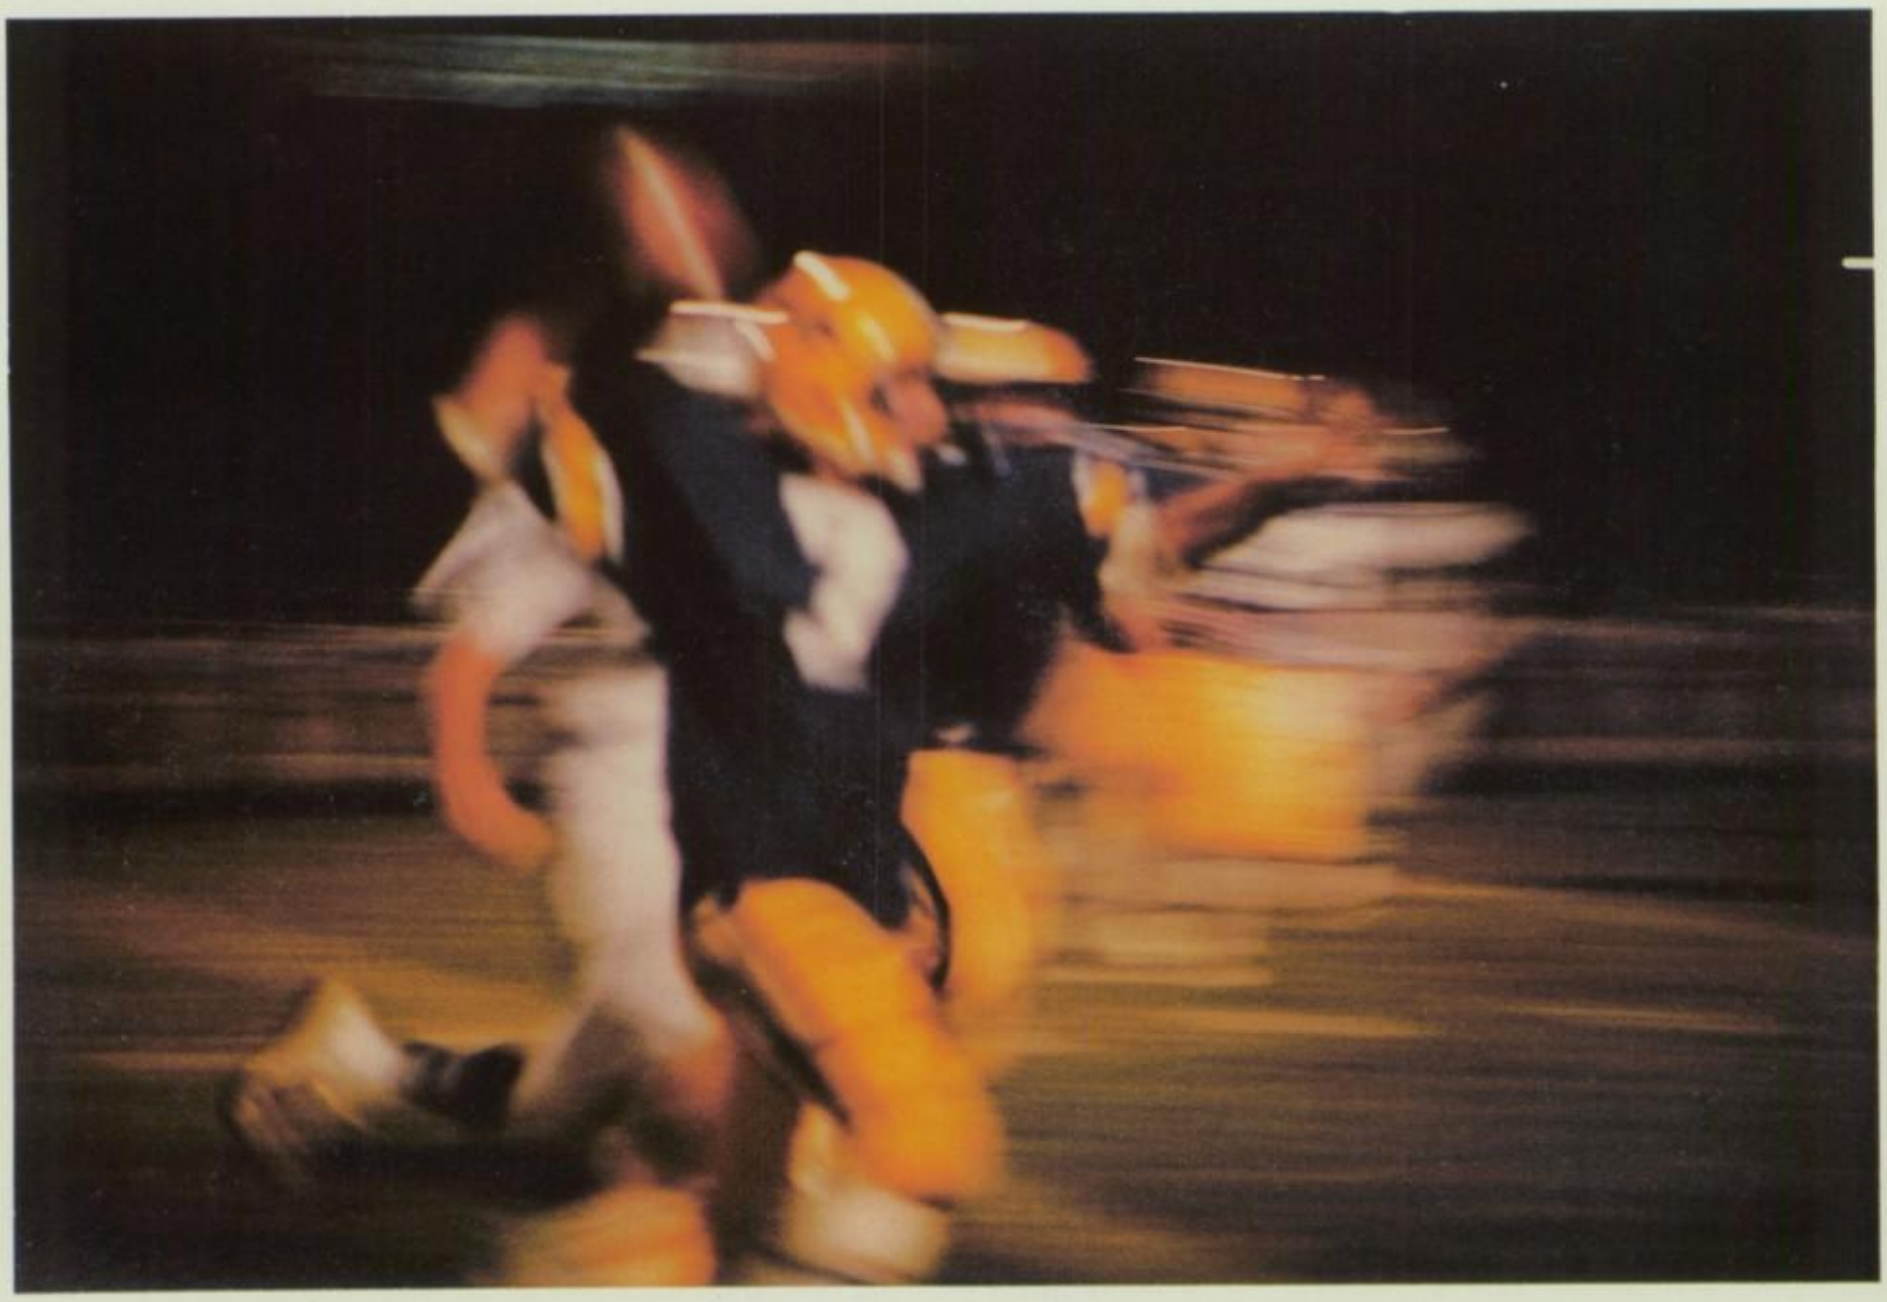
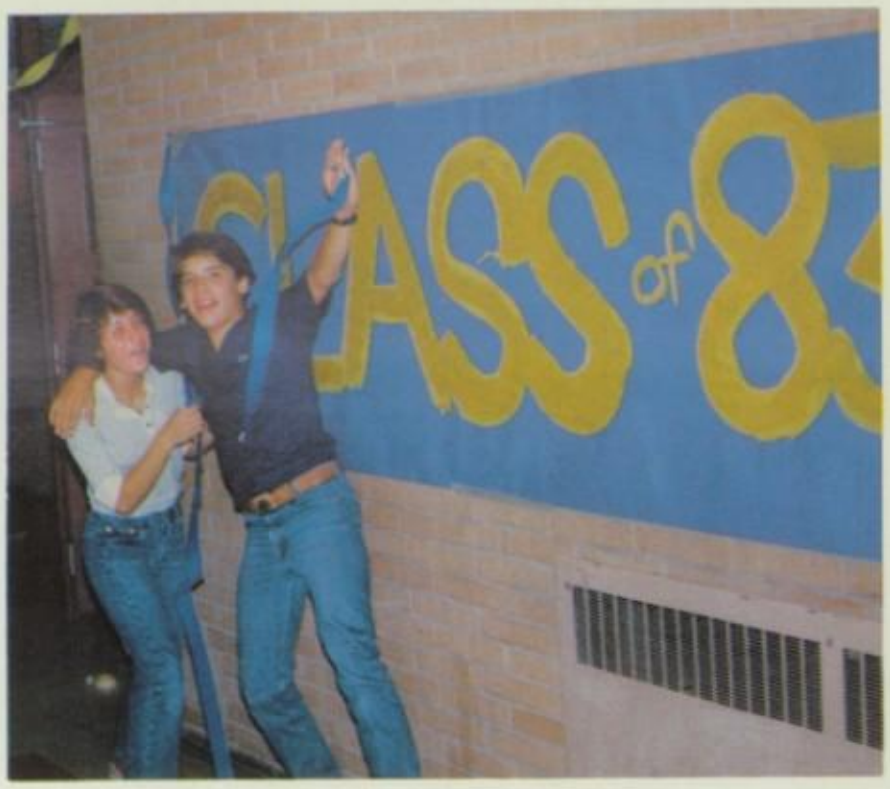
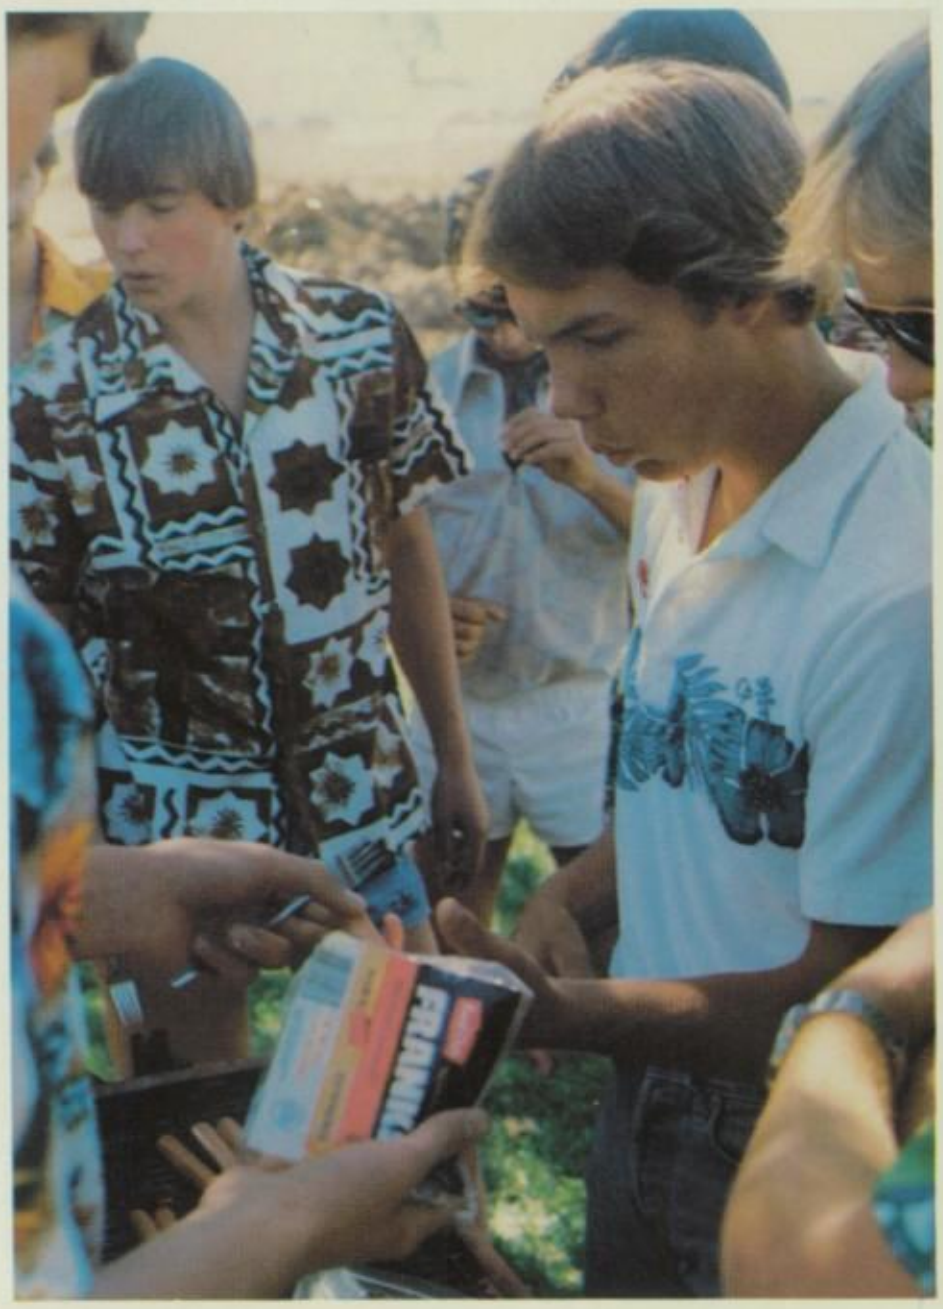
Throughout the football season, the Wheat Ridge High Marching Band, Flag and Rifle Team spirit was evident in their excellent display of talent and color at each home game. During the games they cheered on the Farmers with such tunes as the theme from "Rocky", "You Are My Only Sunshine", and the "Farmers Fight Song." As the Band marched down the field during the halftime shows, each beat of the drum and clap of the cymbals displayed the ultimate Farmer Fever!

Cheerleaders and Pom Pons incited an old tradition this year, the Farmer Spirit Trophy. This is awarded at the end of the year to the class which has been the most spirited. Pep rallys soon became highly competitive as each class vehemently joined in on all the fun and yelling.







An instant in time captures Rich Walk (top), one of the Farmer's quarterbacks.

Gretchen Zimmerman and Trip Hill (above) catch the Farmer Fever and help to decorate the Sophomore hall for Homecoming festivities.

"Let's go surfin' now . . .". Will Odell and Stu Elliot whistle to the sound of the Beach Boys during the Homecoming Hawaiian day beach party.

Who are those masked drum majors?

Oh, you Varsity cheerleaders!

Ride 'em Jamie! The Homecoming Tricycle race.

Ye olde Farmer Fever!

"Break a leg!" could be heard passing through the halls as the WRHS Drama Club presented "The Tempest" by William Shakespeare for their fall production. The hours of dedication and practice spent in overcoming the Shakespearean English and in developing the characters made the play a success.

With the passing of the first anniversary of the Iranian hostage crisis and this being an election year, national spirit prompted many of the eligible seniors to vote, not only on Presidential and State Congressional candidates, but on statewide issues as Independent banking, a Light rail system and Open space.

As the 1981 school year progressed, a definite fever became very contagious! Students and faculty alike became caught up in the spirit of Farmer Fever!

KING AND QUEEN: Roger Carlin and Kim Gillingham were chosen as the 1980 Homecoming king and queen. Roger is a member of the football and baseball teams at Wheat Ridge, while Kim is a varsity cheerleader and is actively involved in Senate as well as many clubs.

SENIOR ATTENDANT AND ESCORT: Kathryn Bly and Griff Wirth were chosen by the student body as the Senior Attendant and Escort. Kathryn is the senior class secretary and a pom pom girl, while Griff is one of Wheat Ridge's key football players and is also on the basketball and baseball teams.

JUNIOR ATTENDANT AND ESCORT: Jauton Martinelli and Tim Lancelot were selected as the Junior Attendant and Escort. Tim is a member of the National Honor Society and is also a member of the football and wrestling teams. Jauton is involved in Spirit Club and is a pom pom girl.

SOPHOMORE ATTENDANT AND ESCORT: Carolyn McFerran and Mark Horrigan were chosen by the students as the Sophomore Attendant and Escort. Mark is involved in basketball and baseball, while Carolyn is an active member of the volleyball team, and also participates on the track and basketball teams.

Following tradition, the 1980 Homecoming week named five dress up days along with lunch time activities each day. Mass participation was the key to the successful week.

On Monday morning hundreds of cowboys and cowgirls were corralled into school to set the week off to a great start. Nearly everyone was dressed in their favorite Western garb from cowboy hats and boots to plaid shirts with pearl snaps. Then at lunch all were rounded up to test their skill in the balloon shaving contest.

Tuesday was Sports day and Farmers could be seen dressed out in everything from shoulder pads to roller skates. During lunch the egg dropping contest lured many to prove their bravery and trust in their teammates aim.

Wednesday was T-shirt and hat day and everyone was encouraged to wear their old favorites. If anyone was hungry they could join in the messy but delicious pie eating contest.

Paul Jensen attempts to save face in the pie throwing contest.

Todd Capes didn't crack the egg or a smile in the egg throwing contest.

To show their spirit, nearly all of the student body's student bodies were decked in blue and gold on Thursday. A tricycle race in front of the school got everyone in a spirited mood for the night's football game.

A new day joined the Homecoming calendar this year, Hawaiian day. Sunglasses were needed to shade the glare of the gaudy and bright luau attire. Lunchtime activities included a senior class cookout and pie throwing.

Friday evening the moods changed along with the clothes, and many couples attended the Homecoming dance. The music was provided by Horsethief Canyon.

Homecoming was the first big event of the year and the entire week was full of competition, laughter, and fun!

Time-Out For Powderpuff Football

With all the excitement of Homecoming activities Powderpuff football often gets overlooked. Not this year! The competition proved stiff indeed as four teams of about twenty girls each battled for the championship position. Many of the girls were seen limping through the halls at school during the two week period of after school practices. The four teams practiced long and hard, and despite a few bruised arms and chipped fingernails the teams were ready to go when homecoming week finally arrived.

The first match-up for the four teams proved to be not only exciting but exhausting for all of the teams. Many spectators were on hand to watch the next big game as the Split Ends defeated the Awesomes 34-0 and the Iron City Phillies beat the Mutilators 6-0.

The powderbowl game promised to be exciting as the Split Ends with a record of 3-0 were challenged by the Phillies, who held a record of 2-1. Despite the Phillies' good team work they were unable to hold back the Split Ends who went on to become the champions with a final score of 20-0.

Many people don't realize that being a cheerleader requires alot of time and dedication, and this year's squad (consisting of ten girls) increased enthusiasum at games, made posters and prepared treats for the team members. During the fall semester the squad was headed by Lisa Dell 9 (Head) and Kathy Green (Ass't Head). And during the winter semester the squad was headed by Maureen Breeze (Head) and Katie Keller (Ass't Head). All four of these girls did an excellent job of providing leadership and guidance to the squad. This summer, the squad attended cheerleading camp at Colorado State University. There the squad received numerous ribbons commending their superior and excellent preformences. All together, the squad succeeded on cheering all the teams on to victory.

The Ultimate Sideshow

The 1980-81 Wheat Ridge Pom-Pon squad.

The Wheat Ridge Pom Pons are an organization consisting of sixteen senior and junior girls. The squad cheers during football and basketball games in addition to all other sports. During the basketball season they perform the half time entertainment. Sponsored by Miss Kaye Pennington, the girls put a lot of work and determination into making posters and perfecting routines. This squad should be commended for an excellent job providing support and entertainment for everyone.

Junior Varsity Cheerleaders

The J.V. Cheerleaders did a superb job in supporting the sophomore, junior varsity, and varsity teams this year. The enthusiasm generated by the girls made the games much more spirited and exciting. Many hours were put forth by each girl every week in order to promote school spirit by cheering at a great number of games.

The J.V.'s (from left to right): Top row- Mona Cordova (Head), Leanne Noll (Asst. Heat), and Miranda Odom. Bottom Row: Karen Ellerbusch, Lisa Pernarelli, and Sarah Quick.

The Pep Club Officers worked very hard at increasing school spirit by taking charge of the pep club as well as the activities involved with this organization. Their leadership made available an enjoyable club for all those involved.

The Officers (from left to right): Kristin Post (Treasurer), Kris Morwood (Vice Pres.), Renee Meerdink (Historian), and Tracy Carinder (President).

Mat Maids

The Mat Maids of 1981 (from left to right). Top Row: Jenny Ames (Head), Sydney Ayers (Asst. Head), and Kathy Gillespie. Bottom Row: Janine Underhill, Bronwyn Hunt, and Heather Phillips.

As tradition has it, six mat maids were selected this year to cheer for, and support, the wrestling team. These girls proved their dedication by attending a number of all-day tournaments, as well as the weekly dual meets. In addition, decorating lockers and baking goodies for the wrestlers seemed to keep the mat maids busy. The girls did a great job in promoting spirit at the meets, and in cheering the guys on to their many victories.

Under the direction of Mr. Ken Burt and student directors Kirsten Andresen, Tom Burke, and Jennifer Pade, Wheat Ridge presented another outstanding production entitled, The Tempest. The students did a marvelous job in portraying their various roles in the Shakespearian play. The perfection of the performance demonstrated many hours of planning, practice, and hard work! Joyce Johnson, a worker in the Arts and Education offices for Jefferson County Public Schools said, "The Tempest was equal to anything I've seen in the Jefferson County schools in ten years."

Stephen Collins and Mike Crow demonstrate their acting abilities.

You're A Good Man, Charlie Brown

"There's no team like the best team!"

A handful of hard working teachers in our school spent a greater part of their busy Christmas season in preparation of their annual "gift" to the student body. Under the direction of Mrs. Sampson, and with the musical talents of Mr. Dalton, seven other faculty members presented excerpts from *You're a Good Man, Charlie Brown* on Friday December 19. We never knew that our teachers possessed such talent! They began rehearsing about six weeks prior to Christmas break practicing before and after school, and some evenings, too. The student body would like to thank the faculty for their much enjoyed gift. Not only did it help to spread the Christmas spirit, but it made us realize that our teachers are, in fact, human.

Farm House Of Representatives

Student Senate is an organization composed of elected sophomores, juniors and seniors as representatives from their respected classes. This year Senate accomplished many activities such as sponsoring Powder Puff Football. Over one-hundred senior girls participated in this activity. Other responsibilities included Homecoming and Prom which both proved to be a great success. An added treat to Senate this year was a Student Exchange with Lakewood High School and a retreat to Estes Park. The retreat was a huge step forward with over 35 students and faculty particpating. All in all, many thanks to the student body officers, class officers and senators who contributed their timeless energy and efforts.

Senior Senators try their expertise at building a pyramid.

Live From Red Rocks:
The Wheat Ridge Singers

This year started with the addition of many new talents. With only seven returning members, the remaining seventeen vacancies were filled with newcomers. The Singers had a busy season with numerous performances, ranging from caroling on Larimer Street to entertaining at country clubs. In the short time between the Thanksgiving and Christmas breaks they suffered through marathon rehearsals, led patiently by the fearless leader, Jim Dalton, to prepare for their busy holiday schedule. In spite of the hard work, there's lots of fun. Parties, Donut Kings, 'Dotes from Dalton, and lots of good-natured teasing all helped to make this year one of the greatest.

The Singers succeed in hiding their opening night jitters.

Faculty Superstars

For the third year in a row our faculty basketball team faced the Mighty Niners, a fast playing team from KBTV Channel 9, in an action-filled fundraiser game. Betty Tuveson served as the faculty's enthusiastic coach. (She was so enthusiastic, in fact, that she had two technical fowls called against her! . . .) Is it any wonder, then, that our faculty trampled those television hotshots?

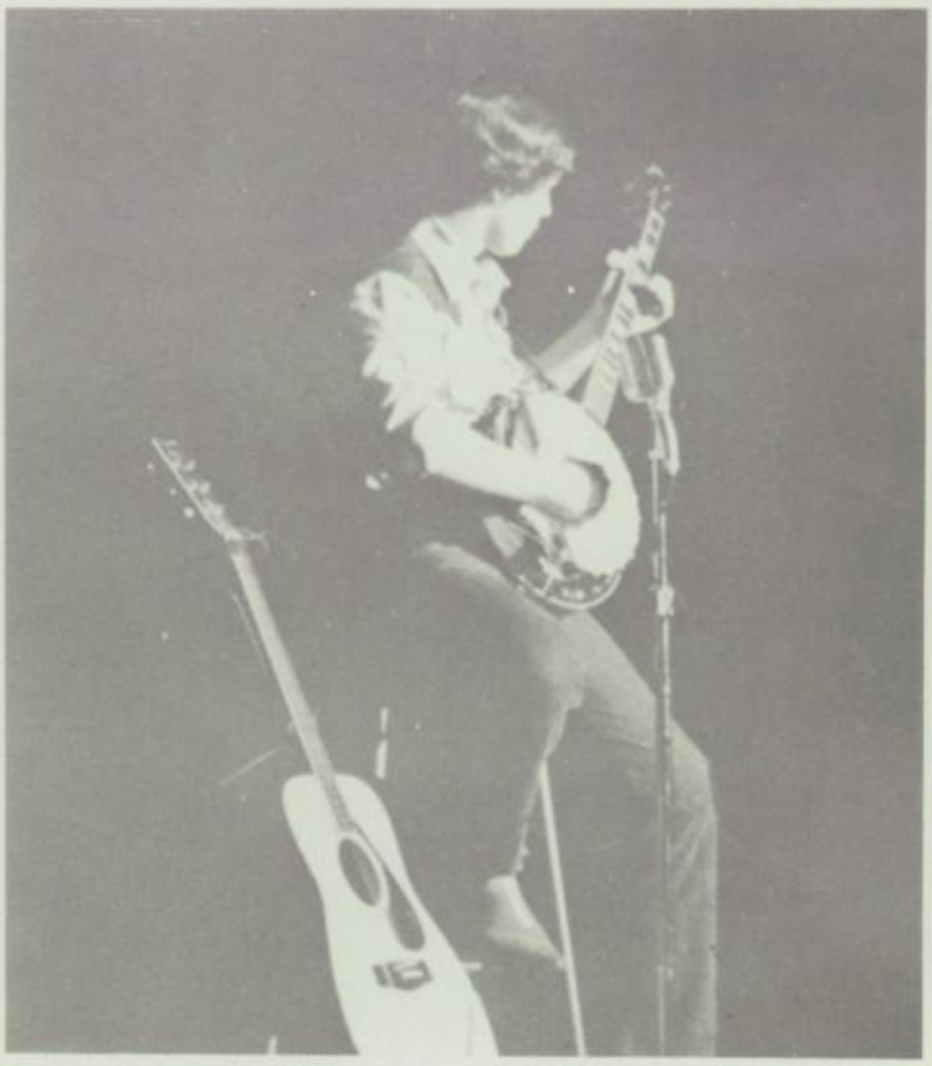
A Variety Of Talent . . .

The Peter Gunn Band behind the action.

On November 20, 1980, many students displayed their various talents in the annual variety show. This year's entertainment ranged from a number of gifted musicians to such things as gymnastics, dancing, and singing. With seventeen unique acts in the program, the variety show proved to be entertaining for the spectators as well as those involved. The students did a spectacular job with the performance, and it was clearly evident that the audience loved the show!



Tom Dowell picks his talent with enthusiasm.

Carolyn Yamaski performs skillfully on the violin.

Lana Lovejoy, Ann Hersey, and Denise Petersen are "Waitin' For the Right Man."

Kent Saraceno displaying his unshaded talent.

Randy George, Scott Collins, and Sam Coffman expertly perform.

Farmer Fever . . .

The powerful WRHS Marching Band is made up of one hundred and seventy enthusastic, musically talented students. The performance for each home football game began with the number, "Night on Bald Mountain", followed by a percussion interlude called "Hoe Down." then the band played "Children of Sanchez", finishing with a special arrangement of "Amazing Grace", written by Dick McGee, one of the band directors. Besides the home football games, the band participated in the Wheat Ridge Carnation Festival Parade and the Jeffco Marching Festival. The Marching Band was led by drum majors Kevin Kerns, Julie White and Bill Thode. The band directors are Larry Wallace and Dick McGee. We would like to thank the band for a fine year of quality music and support.

Don't blow it, Doug!

The Main Attraction:

The Flag Team, the Rifle Team and the Percussion Section work with the Marching Band to create the spectacular halftime show that Wheat Ridge is famous for. Many spectators, however, don't realize what goes on behind the scenes. These groups started rehearsing last August (suffering 90° temperatures) and didn't stop their dedicated efforts until they had finished their last performance in early November. Highlights of this year's show included a square dance among the Flags and Rifles, and a routine known as the Gulliotine, in which the the Flags would jump over the Rifles and vice-versa. The Percussion added special interest by twirling their sticks in the air while playing. Does all this sound complicated? It is! But thanks to Cathy Lavender (who choreorgraphed the Flags' moves), and Bill Taylor (who single-handedly managed the Rifles — and also commanded a boot camp), and lots of hard work, Wheat Ridge had an outstanding halftime show. Thanks for helping to spread the Farmer Fever

The Symphony Winds is made up of eighty-nine students who are the cream of the crop of all the instrumental groups at Wheat Ridge. Composed of dedicated and talented musicians who have worked hard at perfecting the playing of their instruments, the Symphony Winds is directed by Mr. Wallace and Mr. McGee. On December 16, 1980, The Symphony Winds played "The 1812 Overture" to a cheering audience. The production of this number included many special effects: singing by the members of the band, shotguns backstage, and a film to go along with the song. It was a performance long to be remembered. Many of the members of Symphony Winds made All-State Orchestra and All-State Band this year. We are proud to have these talented musicians representing us.

GUYS and DOLLS

MARCH 18, 19, 20, AND 21

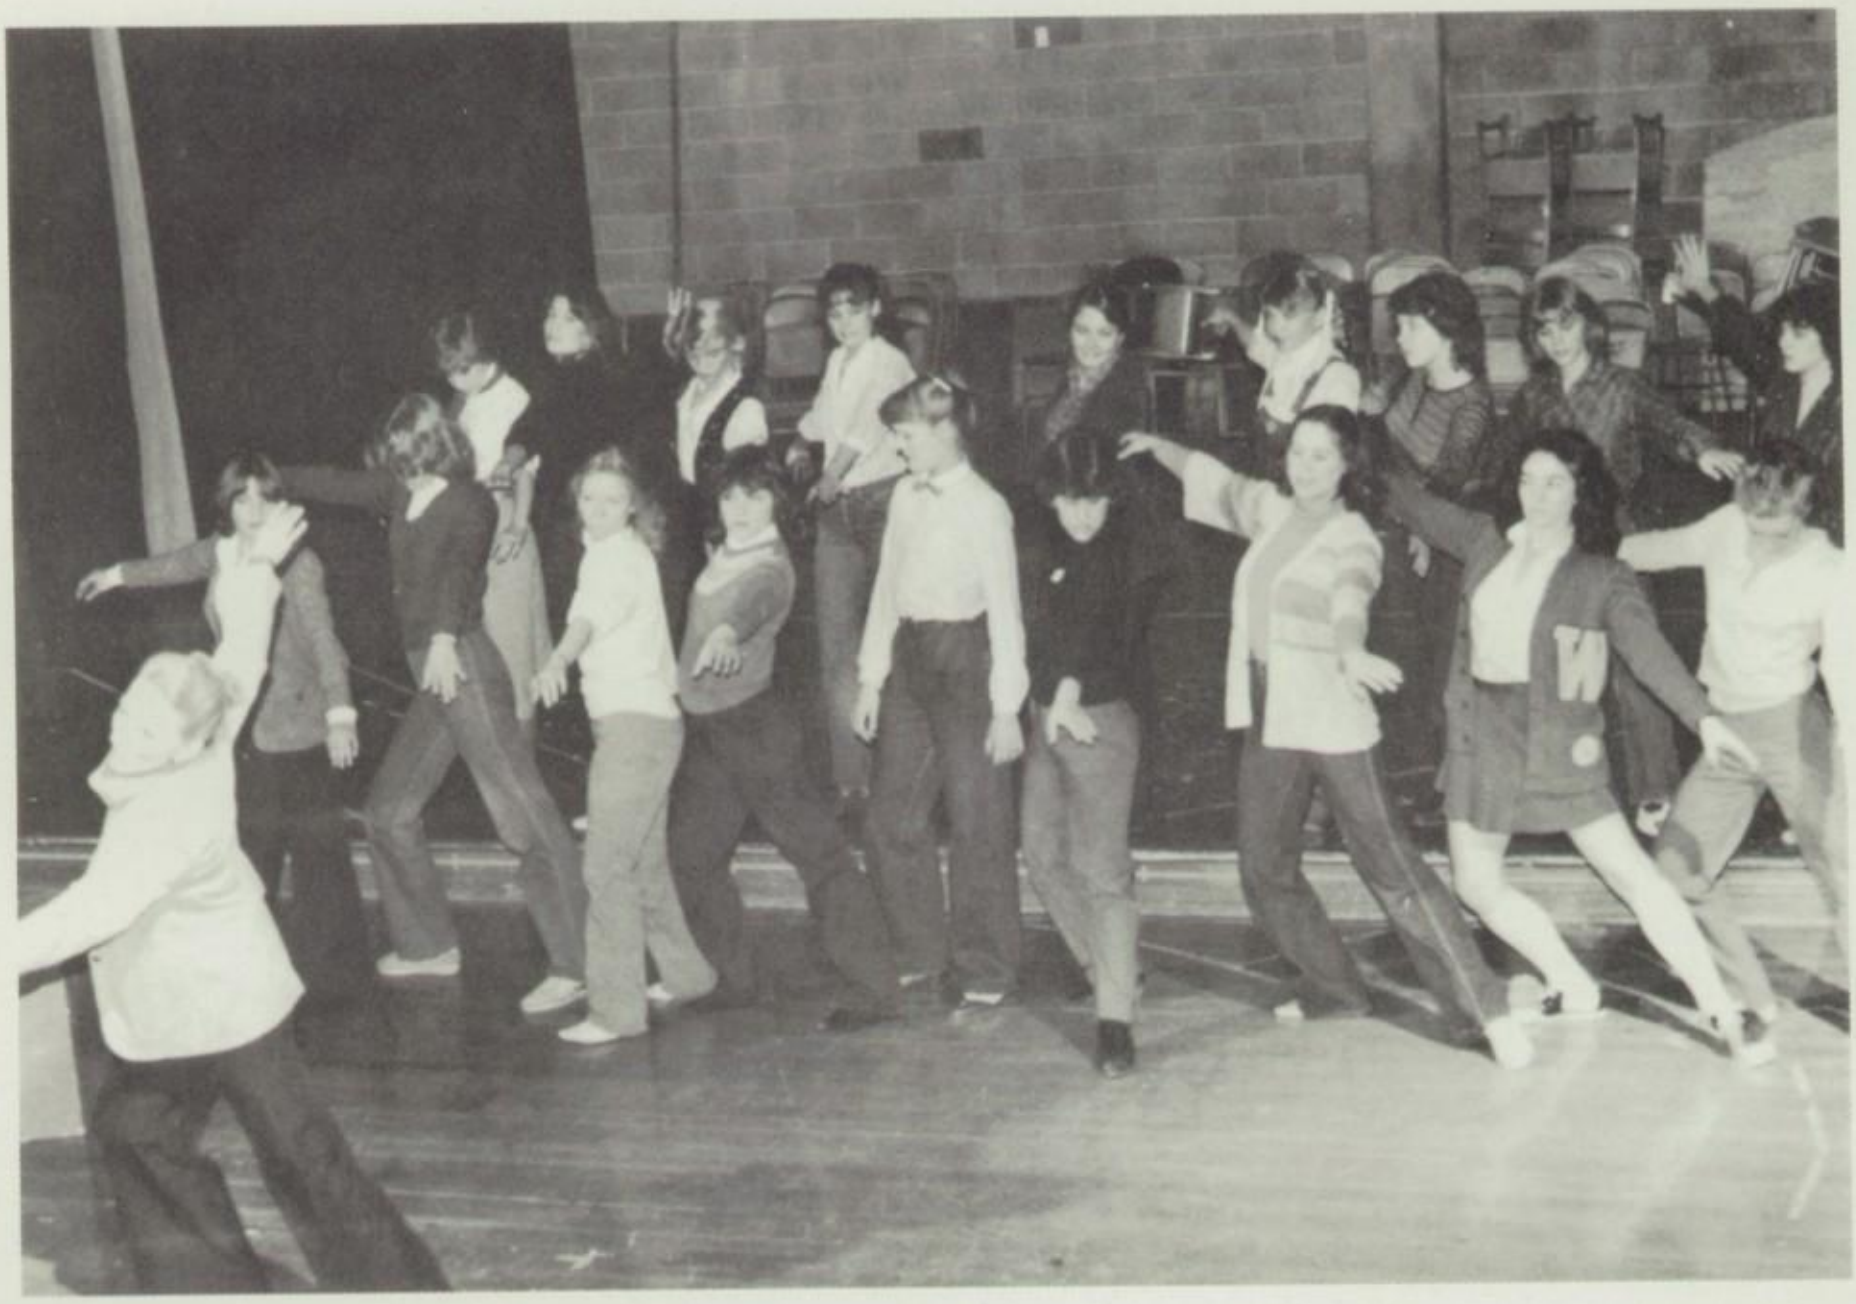
For four brief days the students participating in Chamber Chorale took a trip to Time Square when gambling, pin strip suits and the "Hot Box" were popular fads. The Salvation Army Mission, Hot Box and Cuban dancers all helped to create an atmosphere of the 1940's. The efforts of the students paid off and the presentation of *Guys and Dolls* was a tremendous success.

"Well, well ... the cream of Society ... Sky Masterson, Angie the ox, Big Jule, Rusty Charlie, Liver Lips Louie, Nathan Detroit, Benny Southstreet and Harry the Horse."

"Just think after 14 years I'm finally going to become Mrs. Nathan Detroit."

"Follow the fold and stray no more . . . follow, follow the fold."

"You are always welcome to seek refuge from this jungle of sin."



"And now for the Grand Finale of the Hot Box round-the-world revue, we take you down on the farm with the Hot Box Farmerettes."

"A dollar will get you ten."

Boys' And Girls' State

This year, once again, the American Legion Auxiliary sponsored students to attend the Girls' and Boys' State program which was held for one week in June at the C.S.U. campus. Though both programs are different, each is held to give the students an opportunity to learn more about the way in which the government is run. Each person held a particular position in order to maintain the working of the government. Elections were held for these various positions, and then bills were introduced and considered by the committees and both houses. Girls' and Boys' State proved to be a fun week for all involved as well as a very beneficial and worthwhile experience.

During June of 1980, Matt Nigro, Dave Dunne, and Paula Moore participated in the Civitan Leadership Conference held in Fort Collins. The three were chosen by the Civitan Clubs of Lakewood to attend the Conference. During their four-day stay in Fort Collins, ideas and discussions were centered on today's youth and their part in government and society. Speakers at the conference included state senator Sam Zakhem, and Don Shaw from Jefferson County.

Farmers CAPITALIZE On Leadership Skills

This year eighteen Wheat Ridge delegates were selected to participate in the Colorado/Wyoming Youth in Government program, sponsored by the YMCA. It was here that our students learned how our system of government really works by taking an active part in it.

General Assemblies were held November 19, 20, and 21 downtown at the capital. The entire time, however, was not devoted solely to serious business. Friday night the politicians enjoyed a banquet with a dance afterwards.

Thanks to outstanding leaders like ours, maybe the future of the world isn't so dim after all!

Rocky Mountain Retreat!

Wonder what that speaker had to say to capture Brad Ankerholz' attention.

Those icebreakers sure caused some people to crack up!

The last weekend in March 36 people, faculty and students, participated in an all-school retreat. No, these people were not a select group of students. Every person went of his own accord. What the retreat objective called for was someone wanting to help single out some main problems of Wheat Ridge High and then to follow up by determining and carrying out some long- and short-range goals.

The retreat began at the YMCA in Estes Park (a la snow!) with a few icebreaker games. Henry Roberts of Jefferson County Schools was the guest speaker for the day. His talk dealt with goal-setting and how to develop and maintain motivation among a large group of people such as at Wheat Ridge High. Cooperation games and discussion groups brought three goals into perspective: school involvement in spirit, relations of the senate to student body, and self-confidence and personal awareness in each individual.

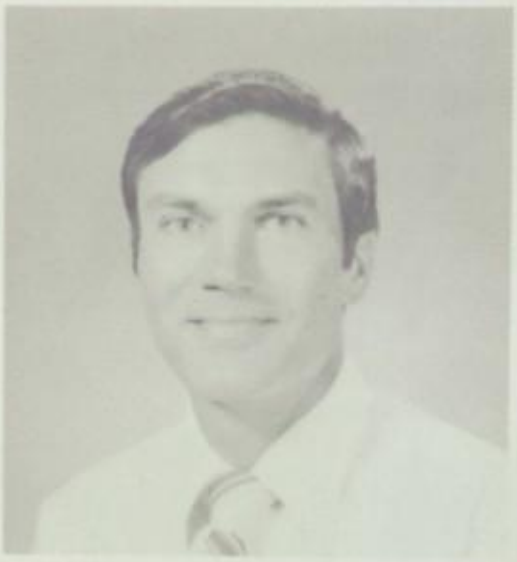
Mr. Jack Sprague

Principal



Mr. Sprague was on a leave of absence first semester. He spent a great deal of his time flying his private plane. He flew to Alaska where he enjoyed hunting caribou and camping. He also found time for pheasant hunting and fishing. Most of all, he enjoyed being with his wife and their two-year-old daughter. Mr. Sprague was anxious to return to Wheat Ridge second semester and everyone was happy to see him back.

Dr. Carol Wilson

Acting Principal

Dr. Wilson was Acting Principal while Mr. Sprague was on leave first semester. She has been at Wheat Ridge for three years and was enthusiastic about her new responsibilities. Outside of school she enjoys reading and jogging. In spite of her hectic schedule, Dr. Wilson found time to play a little tennis afterschool on the new courts.

MAN
OF THE
YEAR
WHAT HELL
DO

The start of the 1981 school year found the United States in an internal controversy over the Presidential election between Republican candidate Ronald Reagan and the Democratic candidate President Jimmy Carter. Ronald Reagan won the Presidential election with a landslide victory; however, only 50% of the voting population went to the polls.

Election day also marked the first anniversary of the captivity of 52 America citizens by Iranian militants. The last 72 hours of Carter's term was spent completing an agreement between the United States and Iran. Denying Carter the credit of releasing the hostages, the Iranians freed the 52 Americans just minutes after President elect Ronald Reagan was sworn into office. Yellow ribbons exhibited the overwhelming nationalist feeling that we were the invincible United States of America.

Football State Playoffs

The 1980 State Playoff Game involved three teams. The first half was played by Pomona and Columbine, and the winner was to play Wheat Ridge. Columbine was victorious in both of these halves. The Rebels beat Wheat Ridge with a score of 14 to 0. This victory left a rematch of Pomona vs. Wheat Ridge. In the previous game Wheat Ridge was the winner with a score of 14 to 7 over Pomona. In the third half, the drained Farmers were able to muster a 7 to 0 victory; setting them up for the playoff game against Evergreen. Wheat Ridge defeated Evergreen 14 to 7. This game was their third to play in only eight days.

Farmers Finish Third

Coach Butler was quoted in saying, "Overall I have been extremely pleased with the boy's season." Before the 1980 season the team was not expected to win more than three or four games at the most. The top scorers for the Farmers were Steve Reeves, Mike Politano, and Mark Christiansen. While Todd Carroll at center fullback and Eric Koch in goal, were extremely reliable for the defense. It was a total team effort that brought the boy's to an impressive 7-3-1 season, finishing third in the county. Of the seven victories six were shut-outs.

All Conference Honors

Seven of the eighteen Wheat Ridge varsity soccer players received All Conference Honors. Todd Carroll, Mark Christensen and Eric Koch were elected to the first team All Conference, and Mike Politano was elected to the second team All Conference. Those players receiving honorable mention were Brian Biesterfeld, Steven Reeves and Eric Tomitsch. Not all players can be honored as such, but a team effort was put forth that brought a successful end to the 1980 season, and all the players are to be congratulated.

Cross Country Takes County

"They are a great bunch of kids" says Coach Brown referring to the 1980 Cross Country team.

Throughout the year the team was ranked among the top in the state and in search of their second straight state title.

Along the way they ran into some stiff competition from Green Mountain; however, in the Jefferson County League Championship both the boys and the girls team proved victorious over their rivals.

Despite the injuries of several key runners Coach Brown thought they did well during the season.

Coach Bob Brown thought that the Farmer Cross Country Team competed in the "toughest league in the state." This made the Farmers victory at the Jefferson County League Championships even better. At the league championships Dan Reese, Mary Colburn, and Syd Ayers were named All-Conference.

The State title was the final step to a great season. At the state meet the Farmers ran into their old rivals, the Green Mountain Rams. The Farmers ran hard, but when the tally was in the girls placed third and the guys took fourth place.

Brown considered the reason for defeat was sickness and injuries on the girls part. Over all, Brown was proud of the whole group. He was especially proud of Dan Reese and Mary Colburn, finishing second and fourth respectively, and both were named to the all state team.

Golf Swings Into 4th In State

"The team had a very successful season and everyone performed well," commented Coach Elmer Powell of the Farmer golf team.

He also remarked that this year's team was balanced and "didn't have to rely on one person."

Led by Derik Brictson who placed eighth overall, the Farmer golf team tied for fourth place at the State golf tournament.

Team captain Bill Fowler, who placed thirteenth at the state tournament and shot the best total score in the league, helped the golf team to capture the Jefferson County League championship and to a third place finish at the District tournament.

When asked about the golf season, Mark Wilson replied, "We had the potential, but unfortunately we didn't win at State."

Farmers Fourth In District

The 1980 Farmers Gymnastics Team finished the season taking an impressive second place at the District meet and a record of 4 and 4. Head Coach Nancy Tucker quoted, "I have thoroughly enjoyed working for nine years with the WRHS Gymnastics team, and even though I will not be the coach next year, I will be backing the Farmers all the way to State in 1981!"

OF the superior 1980 season, four girls were chosen as the most outstanding seniors. They consisted of CeCe Burglund, Kim Malone Callae McMahon and Allison Offield. Each of these girls qualified for state in several events.

The outlook for the 1980 season is very Prosperous for the Farmers. As of now the team is quite small and needs to grow build in numbers back to its average size of 25 members. The Farmers have gained the poise to expand their skills and should be able to go far in the upcoming season in 1981.

The 1980 Farmers' volleyball team finished the season with a respectable 4 and 7 record in league play. This seson the Farmers used a 5-1 offense and a 4 man serve receive defense. All team members contributed equally. It was felt that the Farmers were a better team than their record indicated. Coach Brad Saidon stated, "We're one of the best skilled teams in the state." With most of the Varsity being juniors, next year promises to be awesom.

The Farmers' J.V. team finished up the season with a 4-9 record in league play.

Farmers Take Fourth

The 1980 girls' swim team ended the season taking an impressive fourth place at the state meet. This is the best the Farmers have ever done. Coached by Mary Toren and assisted by Denise Webb, the girls captured first place in the league out of twelve teams. There were many superior performances contributing to the team record of 13 and 1. A new league record was set in the medley relay by a team of Collette Howard, Brenda Olde, Sheryl Griggs and Sarah Quick. Contributing to fourth place at the state meet were Colletee Howard, capturing sixth place, and Sheryl Griggs, taking seventh in the 100 meter backstroke. Brenda Olde took eleventh place in 100 meter breast stroke. In the 50 meter freestyle Collette Howard placed third, while Sarah Quick took tenth place. In the event of 100 meter butterfly, Sheryl Griggs captured seventh place and Sarah Quick placed eighth in the 100 meter freestyle. In diving Laurie Hartley placed an outstanding sixth place at the state meet.

Season 2-9

Tennis Results Misleading

"The season record of 2-9 is no indication of the individual talent contained in the team," states Coach Don Headlee.

In looking at the individual results of the 1980 Boy's Tennis season it is apparent that Wheat Ridge has suppressed capabilities that might have surfaced, had the league not been so tough. Senior Phil Pittz, number one singles finished with a 3-8 record; Sophomore John Baer, number two singles player, had an impressive 5-6 record; and Sophomore Mike Lowe, number three singles, also had a surprising 7-4 record. Seniors, Paul Jensen and John Persichitte, the number one doubles completed the season with a 2-9 record; Juniors, Bill Gustafson and Reito Rodriguez paired up to form the number two doubles team and finished with a 2-9 record also; Senior Art Garner and Junior Lloyd Johnson composed the number three doubles team having a 3-8 record; and the number four doubles team was Seniors John Resler and Larry Abeyta who had a 5-6 final record.

Mr. Headlee will not be coaching again next year due to other plans. Mr. Ron Dries, last year's girls' tennis coach, will take his place. "With the talent I saw this year, next year's team should be quite strong," remarked Mr. Headlee.

Wrestlers Attack!!

The 1980 Farmers Wrestling Team ended the season with a record of 6 wins and 3 losses. Coached by Bob Binford, head coach first year, led the Farmers to do exceedingly well. With no more experience than they had, they really excelled against tough opponents. There were only three seniors on the varsity team, making the 1981 season look prosperous with many upcoming underclassmen. In Districts, senior Tom Hutton and junior Tim Lancelot placed first in their weight, while junior John Wyatt took second place. These three, plus sophomore Greg Chavez will be wrestling at the State Tournament. Chavez not placing in districts defeated his challenge, making his way to state. The captains of this years team were juniors David Osse and Tim Lancelot, and seniors Tom Hutton, and Larry Smith.

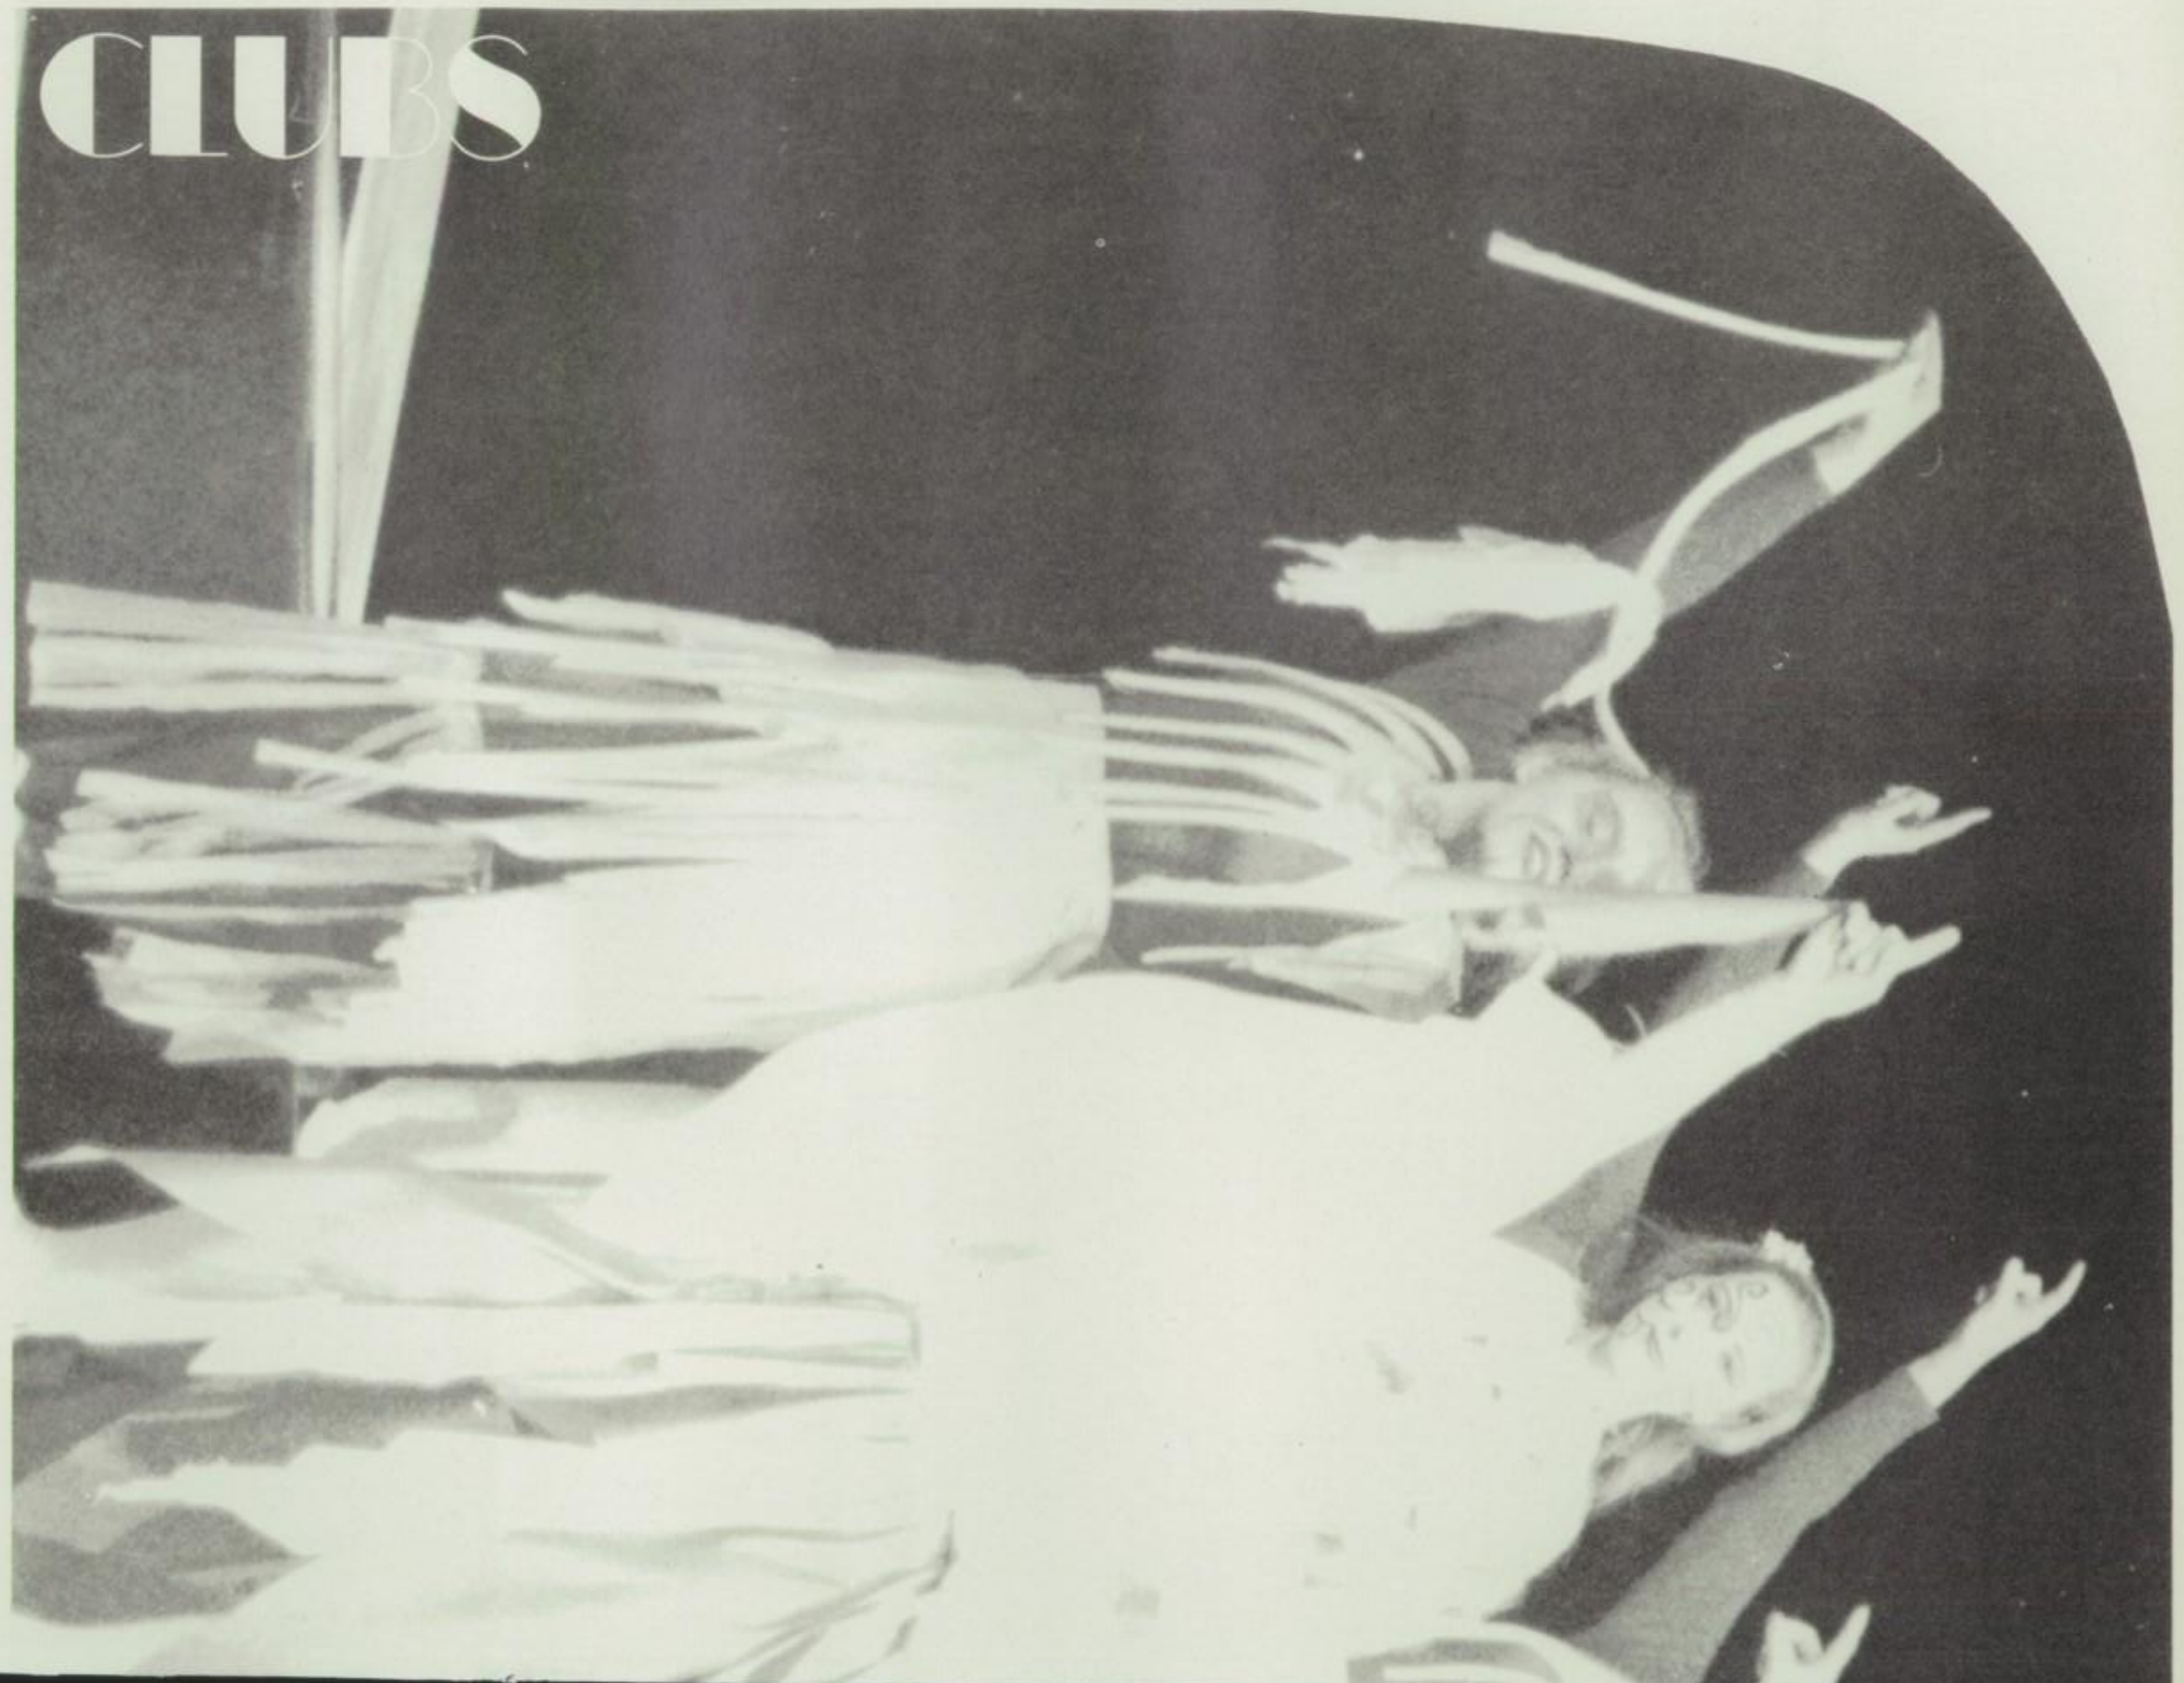
CLUBS



Agrarian . . .

The 1980-81 Agrarian staff consists of a select group of ambitious and dedicated workers. Throughout the school year, each member has accomplished above and beyond what is expected from them, in order to maintain the high quality yearbook Wheat Ridge students have grown accustomed to. Although at times the work is tedious and boring, Agrarian offers students a unique opportunity to both learn and have fun. It is at this time that we would like to recognize the students who have made The Agrarian possible this year.

Above top: The Art Staff: Larry Boaz, Editor Paul Winston, Melanie McHugh.

Above: The Clubs Staff: (lst row): Marcia Pitz, Shawna Landers. 2nd row: Ann Johnston, Donna Bump, Editor Theresa Borchelt, Kathy Grisby. Not pictured: Jim Walsh.

The purpose behind dividing Agrarian members into separate staffs is to keep one person from doing too many different things. This way you are aware of exactly what you will need to do the entire year and you need only be concerned with your section. The Art Staff is in charge of all artwork throughout the entire book, such as in the Current Events section. The Club Staff takes care of all club pictures, as well as identifying the people in them. The Photographers take nearly all of the pictures in the yearbook with the exception of the"mug-shot" photos. The Sports Staff covers all aspects of sports, group pictures and action shots as well. The Faculty Staff deals with not only the teachers, but also the administration, janitors, and cooks. The Activity Staff covers all school activities from Homecoming to Graduation, and from Boys and Girls State to the school musical. The Classes Staff takes care of each little "mug-shot" of every student, Along with the Senior Superlatives. The Editor-in-chief proofreads all of the pages and gives the final O.K on layouts. Each of the staffs are a vital part of the yearbook, and without all of them, the entire book would suffer.

The Wheat Ridge Banner is published monthly by Mr. Knuti's Publications class. Although it is considered an English elective class, the Banner editor and staff are responsible for reporting, story-writting, and the lay-out of the Banner.

This year, while striving to cover current news and sports at Wheat Ridge, the Banner staff has also concentrated on featuring students and faculty members for their accomplishments and contributions to the school and community, as well as providing information on school clubs and activities. The Banner Personals have also been carried on this year, with much success.

This years Banner staff has tried very hard to maintain the level of excellence achieved last year, and are to be saluted for their hard work and dedication.

DECA

What is DECA?

Distributive Education Clubs of America is the student organization that is a part of the marketing and D. E. program at WRHS. The four phases of the D. E. program are Classroom Activities, On-the-Job Activities, DECA Activities and the DECA Deli.

Classroom Activities include Basic common skills that you will use on the job.

DECA Activities include competition with other high school students, developing leadership, skills and working toward your career goal. Competition takes place on the district, state and national levels. Areas of competition include: Food Service, Food Marketing, General Merchandise, Petroeum Marketing, Advertising Services and Finance and Credit.

On-th-Job Activities is the training while working toward a career in Marketing and Distribution, the students also receiving pay and school credit that applies toward graduation.

The DECA Deli trains the students to apply the principles of marketing and distribution learned in class. The DECA Deli provides a real-life lab situation for students to devleop the marketing concepts learned in class.

The FBLA is a national organization designed to train the students of today into Business Leaders of Tomorrow. This year, the Wheat Ridge Chapter of FBLA started with a new advisor, Mrs. Bobbitt, and all new members except one. They began the year with a "Fall Roundup". This was used primarily to get students interested in the organization and get better acquainted. The next projects were fund raisers. They sold Jolly Rancher Candies, memo books, decorative bells as Christmas ornaments, and live holly. On January 30, 1981, eleven students and Mrs. Bobbitt went to Broomfield High School to compete at the District Conference. Lori Christner won the nomination of a state officer, Karla Allen took 2nd place in Data Processing, Rhonda Maggard won 2nd place in Business Math, Mike Hesse won 3rd place in General Business, and the Chapter Scrapebook placed 4th overall. These students plus Mrs. Bobbitt and two voting delegates went to Colorado Springs in March to compete at the State Conference. Members are filling out income taxes as a service to the students in the school. At the present time, there are 23 members.

Creative Writing

"My task which I am trying to achieve is, by the written word, to make you hear, to make you feel — it is, before all, to make you see. That — and no more, and it is everything. If I succeed, you should find there, according to your desserts, encouragement, consolation, fear, charm, all you demand — and, perhaps, also that glimpse of truth for which you have forgotten to ask."

Above: The Speech Team Officers: Tom Burke, Pauletta Longo, Mark Davis, Amy Towey, Sponsor: Mr. Acol.

Traditionally, the Speech Team consists of 20-30 members who are involved in all forms of speech competition: debate, extemporaneous speaking, interpretations of humor, drama or poetry, duet acting and original oratory. By enrolling in Forensics I or II, the students will receive the background information and training in their respective areas. However, any student may participate in the speech program as an extra-curricular activity. The speech season begins in September and ends with the state competition in spring. WRHS' team averages participation on 10-15 speech tournaments yearly. Although it operates on a yearly budget of $1500 for entry fees and travel expenses, several fund raising projects are needed in order to support the program. Members of the Speech Team help to support the Forensic Program by having the following traditional fund-raising projects: November Thanksgiving Pie Sale, Carnation Vale-grams for Valentine's Day, and the Sadie Hawkins Dance in May which is the major event, as it usually involves a whole week of activities, ending with the dance. Team members are equally expected to participate in bake sales and other fund-raising projects.

Art Club

Although the Art Club had a slow start first semester, we have finally gotten a group together. Various activities include art displays throughout the school, trips to art museums, and a chance to meet new people.

In the beginning we all caught the Farmer Fever. The memories of the past year printed on these pages are also printed in our hearts and minds. They are there for savoring. It was a year of vast change, for the world, and our nation.

It was also a year of change for each of us. For the Sophomores it was a change from junior high to high school, and the opportunity to make many more friends. The Juniors had a chance to grow and develop their personal interests, perhaps even looking towards college and career choices. For Seniors this year brought the excitement of graduation, college choices, marriage, and the excitement of being on our own. It also brought the sadness and reality of moving away and leaving the familiar surroundings and friends that we had grown up with over the past thirteen years. These memories are for keeping.

FARMER FEVER — KEEP IT!!

Kevin,
Well, riding the bus this year was different. I am glad I had you to talk to. Maybe this summer, if you're good, we should go see a horror movie!! Give me a call this summer, and have a good one!
